Overview

This wonderful, chic converted boat house is located right on the sea between the main beach and the port in the town of Les Issambres, Cote d'Azur. The French call it 'pieds dans l'eau' (feet in the water) and there isn't a house in the Mediterranean closer to the water. Whilst others are getting into their cars and heading through the Riviera traffic for the beach you are already there, before your eyes have opened. Air conditioning throughout. Heated pool.

FLEXIBLE Bookings. 5 nights minimum during high season and 3 nights minimum out of season.
