Location

Coast/Beach

Beautiful beaches can be found within a 35 minute drive from the villa, including Antibes, Cannes & Fréjus. Naturally in the summer months traffic conditions vary immensely so this would need to be factored into travel times. Nice, Monaco & St Tropez can all be accessible within an hour, again traffic will be much heavier during the peak of summer.

Golf

Domain de Terre Blanche at the Four Seasons Resorts boasts not one but two of the most beautiful courses in Europe, Le Chateau & Riou courses are just a 10 minute drive from the villa. The two 18 hole championship golf courses were designed by Dave Thomas & you can also benefit from The Albatros Golf Performance Centre, The Biomecaswing Centre & The Leadbetter Academy.

Skiing

Skiing can be found at Auron, Isola 2000 or the Foux d'Allos/Pra Loup ski areas. These are approximately 2 hours from the villa. We are yet to attempt this for daily skiing but understand the owners do frequently.

Distances

Situated between the villages of Fayence & Seillans, each of these beautiful villages can be driven to in less than 10 minutes. You could also walk to both, Fayence approx 30 minutes, Seillans a little longer as up hill!

Further Details

There are too many amazing restaurants to mention each personally but among our favourites would be Le Castellaras (less than 5 minute walk from the villa) & Le Moulin De Camandoule & Chez Hugo, both within a 10 minute drive of the villa. There is also an abundance of great restaurants in Fayence & the surrounding villages.

The newly open Fresh supermarket is a delight to shop, approximately 10 minute drive from the villa, other supermarkets include Super U in Fayence, with an Intermarche & LeClerc slightly further afield nearer to Tourettes. A

Huit a Huit convenience store can also be found at the foot of Seillans. This village also has a farmers market daily during the summer, which showcases great local produce. Fayence market is a great place to visit & is in the main village square 3 times per week.

There are also butcher shops, patisseries, traditional bakeries, pizza shops, bars, coffee shops, banks, ATM's, pharmacies, just about everything you will need.

Further leisure facilities include: Fayence/Tourettes airfield, approximately 1.5km from the villa is home to The Association Aéronatique Provence Côte d'Azur (AAPCA) a large gliding club as well as several micro light schools. Gliders are often seen high above the villa offering another way to view the magnificent scenery of this beautiful area. There are several local horse riding schools, tennis courts, an endless supply of amazing cycling routes as well as vineyards for the wine lovers. Lac St Cassien is a 20 minute drive & has all manner of fun boating/paddle boarding requirements for a great day out, not to mention great fishing for the experienced anglers.
