Description

Maison Des Rêves is an exceptionally well-appointed property, ideal for the perfect family holiday on the French Riviera. For a maximum of 15 people.

Located just 12 miles from Nice airport, this villa is situated in the heart of the glittering Côte d'Azur. It is the perfect base from which to explore the restaurants, shops and nightlife of the nearby towns of Antibes, Juan les Pins, Cannes and Monte Carlo. The seven bedroom property is an easy walk to the local Garoupe Beach, with excellent restaurants! Right next door are local shops selling fresh milk, croissants and even British newspapers!

Maison Des Rêves has recently been beautifully renovated with 5 new bathrooms and a brand-new kitchen. It offers air-conditioning throughout, Wifi, Sky Tv, outdoor BBQ area and even a table tennis table. The swimming pool however is the main attraction as it is one of the largest heated swimming pools on the Cap. The garden offers complete privacy and consists of a large, flat lawn which is surrounded by pines and eucalyptus trees - it also features an LED-lit outdoor bar/bbq area. The upstairs terrace is ideal for breakfast and evening cocktails, as it offers sweeping views of the Cap over the sea and towards the town of Nice.

The owners bought the villa when their 3 children were young, and wanted somewhere that would be safe for the children - and fun! Which is thankfully what it has been for the past 14 years, with many families enjoying the villa and the surrounding area. There is nothing that this family hasn't done - they've attempted to drink the Côte d'Azur dry of Chateau Minuty, they have swam, sunbathed, played tennis, golf, skied, waterskied, cycled, seen the sights, eaten their body weight in Moules Marinières and had a bucketload of fun.

The villa is walking distance to the beach, shops and restaurants. It can sleep up to three families without everyone getting on top of each other. There are 3 double bedrooms with en-suite bathrooms, meaning that none of the adults feel short-changed. There are a further 2 double rooms (one with an extra single bed), and there are a further 2 twin bedrooms. These rooms share 2 bathrooms, and an additional 3 WC's. All bedrooms have air-conditioning. The swimming pool area and lawn are ideal for playing family cricket and football.

Enter through electric gates into a private drive where there is parking for several cars. The main door leads into a large entrance hall with stairs to the first floor and a guest WC.

To the right is a large living room with comfortable seating and is a light and airy space with doors
