## Description

Aqua Vita is a highly impressive and very well-equipped Provençal bastide commanding breathtaking views over its 9 hectares of olive groves and vineyards, as well as the surrounding countryside and the picturesque village of Venasque.

Its unique position in what one could still call 'La Provence Secrète' allows you to benefit from the unspoilt surroundings, still largely unaffected by mass tourism. Stroll around the relaxing, tailored garden while watching the sunset over Avignon and the whole North Vaucluse, and just soak in the tranquillity. Perched at the summit of a rocky outcrop, Venasque is a picturesque fortified village classed amongst one of the 126 "Most Beautiful Villages in France."

There are shops in a small village just a couple of minutes' drive down the road and, just 15 minutes away in the other direction, the glorious Luberon valley awaits, with its world-renowned perched villages.
