## Description

Located in Sainte Maxime at the "Pointe des Sardinaux" is this beautiful seafront villa which is ideal for a family or group of friends, due to the 4 bedrooms and 4 bathrooms, multiple terraces and beautiful swimming pool overlooking the sea.

Enter through the large and secure gate onto the car park which can hold up to two cars and has outdoor lighting. Stone steps lead you down to the house and swimming pool area. Enter through a lockable wrought iron gate into a courtyard filled with Mediterranean plants and an outdoor dining area, and through the front door into the house.

As you enter the house you will have a separate WC with sink on your left. The first bedroom has a double bed and an en-suite bathroom which is equipped with a WC, double sinks and a bath/shower. This bedroom has air conditioning.

Across from the bedroom is the kitchen area which is fully fitted and equipped with all mod-cons including an electric hob and oven, microwave and dishwasher. There are two lounge areas over split levels, one being just a simple seating area overlooking the sea; the other is up the stairs into a mezzanine and is where you will find the TV and DVD player. Go down a few steps and you'll find the fireplace with further seating, as well as a small library of books. There is a hallway leading to the other bedrooms; the second bedroom has bunk-beds and is ideal for small children or teenagers, fans are available in this bedroom. The third bedroom has 2 single beds which can be pushed together as a double bed and both of these bedrooms share a bathroom with bath/shower and sink. This bedroom has air conditioning. The fourth bedroom has a double/twin bed (can be separated or pushed together depending on requirements) and an en-suite bathroom with bath/shower, double sink and WC. This bedroom also has air conditioning.

Through the lounge are sliding doors to a covered terrace with indoor dining facilities - this is the perfect place for your evenings as you can fully enjoy the enclosed terrace for warmth whilst still having a view of the Mediterranean. The main terrace is absolutely stunning and overlooks the sea; it has a seating and dining area as well as some sunbeds - please note that the wall down to the beach is a small wall, and therefore not suitable for toddlers.

The private swimming pool (8m x 4m) is at the opposite end of the terrace and is alarmed and overlooks the sea; next to the pool is a lockable gate/door leading to the small beach - please note that while this beach is not private, it is not frequented very often.

Other features include a basement where you will find a washing machine and dryer, as well as a
