Description

Beautifully appointed holiday home with up to 5 bedrooms and 3 bathrooms featuring huge living spaces and light. There is a vast open-plan living room, dining room and kitchen all in one, as well as a 100 m² terrace and downstairs cloakroom/utility room.

The kitchen, with its cream walls and green tiles together with the light and space, gives the feel of a cool dairy, thoroughly welcome on a hot Mediterranean afternoon. The downstairs en suite double bedroom offers an excellent chance for elderly parents or somebody in a wheelchair to share a great summer holiday with the rest of the family.

This property was fully renovated in 2012 as a second home for an English family, and is now ideal for families and couples. It has been renovated and decorated very tastefully successfully blending ancient and modern. As it was used as a family home it is well-equipped. This beautiful property is available for holiday lets (minimum stay 1 week) and possibly long lets off season.

On the edge of the historic village of Puissalicon, with its chateau, local shops and bar. It is also within walking distance of Magalas, with a choice of restaurants, a wide range of shops and a supermarket.

OUTSIDE

What makes this property so special is its 100m² first floor terrace decorated with hints of a Moroccan-style souk offering spectacular views across the fields towards the village and back to the mountains – particularly impressive at sunset.

Also outside, there are a heatable 9m x 4m pool (chlorine) surrounded by irrigated lawn, mature trees (including apricot and fig – delicious freshly picked for breakfast), a south-facing wall with beautifully trained roses, and many flowering shrubs. The garden is almost wholly un-overlooked. There is also a seating area for 8 people and a barbecue. The pool and garden are accessed from the kitchen through enormous bespoke-crafted French windows and also from stairs leading down from the terrace. The pool can be fenced to protect small children. This is a portable fence and if you require it to be erected please inform SFHV when booking.

The gravelled driveway offers plenty of secure parking.

This property lends itself comfortably to two families holidaying together.
