Description

A luxury vacation rental in Eygalières, Provence, south of France.

Villa Cachée is a striking, brand new contemporary 3 bedroom 3 bathroom Provencal villa located in a verdant, exotic, and secluded setting just below the ancient hill-top medieval village of Eygalières.

The villa is very centrally located only 300 meters (3 minute walk) from the village centre where you will find the boulangerie, épicerie (small grocer), butcher, pharmacie, and a choice of cafés and excellent restaurants.

There is an independent pool house with aircon at the opposite end of the pool that houses the third bedroom and bath, and which even has a kitchenette so the guests can have total privacy.

The large 15m x 4.5m pool is heated by a geo-thermal system to a max of 28C, depending on exterior temperatures. The pool, plants and garden are in perfect harmony and the entire villa is very 'zen' and relaxing!

The large living room, dining area and kitchen flow through the open spaces of the main floor and out the huge doors which open to the exterior. There are large spaces inside and out for dining and relaxing. Two bedrooms are inside the villa: The en-suite master bedroom with large terrace is on the first floor; the en-suite guest bedroom with doors opening to the garden is on the ground floor. The main villa has an under-floor heating and cooling system. The fridge is well stocked for your arrival.

Eygalières is a haven of tranquillity, refinement and charm, located just a 15 minute drive from the larger town of St. Rémy de Provence.

By far one of the most beautiful and sought after villages in Provence, Eygalières is where many celebrities spend pleasant, undisturbed holidays far from the paparazzi on the coast. Located on the edge of the Alpilles (the little Alps of Provence), Eygalières offers fantastic views of sublime rocky outcroppings, and you can take a walk up to the ruins of the medieval village just off the main street. The 12th century Saint Sixte Chapel, situated on a small rise not far outside of town, is a treasured, well-known example of Romanesque architecture in Provence.

Eygalières is a quiet and charming community made up of artists, farmers and tradesmen alike.
