Description

On the edge of Cap d'Ail and just outside Monaco, this is one of the premier villas in the region.

Villa Rosa is a harmonious blend of luxury, tranquility and seclusion. It is located only a three minute drive from the vibrant and dynamic life of Monte Carlo. This rare property of 4,000 m² enjoys total peace and protection - monitored by a sophisticated alarm-system. The separate guesthouse allows you to have your service personnel or friends next door - at the same time ensuring your privacy.

There are 7 bedrooms in total. All bedrooms, most facing a spectacular sea view, are air-conditioned and they all have their own balcony. They are spacious and have been tastefully designed in light and sunny colours.

There are striking views over the sparkling Mediterranean sea. A large heated infinity pool and an area outdoors perfectly suited for watching the sun set over the neighbouring peninsula of Cap Ferrat completes the picture. Life takes place around a large pool but in every corner of the property are areas that can be prepared for dining, lounging, or as needed for guests. Sit and relax in absolute tranquility or venture out to discover Monaco and its surroundings.

Your own Bentley Flying Spur Limousine with chauffeur is available to take you everywhere you want to go.
