Description

An authentic 18th Century stone Bastide, south-facing and set in 3 acres of grounds amongst olive trees with private heated swimming pool and stunning views across the countryside towards the sea (the Bay of Cannes). beautifully secluded and tranquil despite its proximity to shops and services. The entire property is decorated in cool cream and olive greens with splashes of colour lent by the original artwork on the walls. Colours and ambience have played a big part in the success of the renovation.

The Main House measures 450m² (4850 sq ft) and has 6 spacious and well appointed bedrooms, all with their own bathrooms and air-conditioning. In addition, there is a newly and sympathetically renovated Cottage to sleep 4 additional people with 1 x double + 1 x twin bedroom + shower room. The living room, dining room, guest toilet and laundry/utility room are located on the ground floor along with a fully fitted spacious Mark Wilkinson (winter) kitchen (in what were the stables, complete with feed bins) with oak spiral staircase leading up to the TV room (also can be used as a playroom). The living room and dining rooms open out on to a typically Provencal courtyard providing plenty of space for outdoor entertaining and including a petanque court. The summer kitchen opens out on to an outdoor terrace overlooking the pool with sea views. The terrace even has heaters to ward off the evening damps out of season.

Situated in the heart of the Cote d'Azur, the Bastide was the home of a venerable Italian racing car driver; then it was completely restored by a well-known British travel journalist and author; and now it is enjoyed by an international family.

2 minutes from local shops - bakers, butchers, fruit and vegetable market, small supermarket.
5 minutes from Valbonne and 10 minutes from Mougins and Grasse town centres
20 minutes from the coast - beaches in Cap d'Antibes, Juan les Pins and Cannes.
30 minutes from Nice airport with easy access to Cannes, Antibes, Nice and Monaco.

Activities: There are several golf courses and tennis clubs nearby; it is a popular area for cycling; and there is plenty of hiking a short drive away. There is also a selection of fitness centres/gyms nearby.

The house is ideal for 2-3 families, or up to 8 couples in the main house and cottage annex. It provides plenty of space for guests to spread out in the courtyard or on the lawns. It is also very well suited to weddings or private parties/corporate events (up to 80 guests). There is parking space for several cars.
