Location

Saint-Rémy-de-Provence, well-loved town with luxury villa rentals.

St-Rémy-de-Provence is perhaps the most beautiful small town in Provence. Post World War II, it was an agricultural area, specialising in flower seeds and sheep, but now is known as a sophisticated country town with some of the best local commerce Provence has to offer, and with a wonderful, central location. There are many sites in St Rémy: the very important Roman ruins at Glanum; the rue Hoche, a tiny street where French-Jewish doctor and astronomer Nostradamus was born in 1503. Don't forget the colourful Wednesday market which is well known all over Provence. Vincent van Gogh spent most of the last year of his life here, at the St.Paul de Maussole Clinic, and painted over 150 paintings.
