## Description

Perched majestically on a hilltop surrounded by vineyards overlooking a tranquil Mediterranean lagoon Chateau Capitale is a magnificent estate and luxury sanctuary set in 200 acres of beautiful unspoilt countryside in the Languedoc, South of France.

Like the best French wines, the estate is an 'assemblage' – a destination that blends the best aspects of traditional holiday options : the facilities of a luxury spa hotel, the practicality of villa rental, the authenticity of a working wine estate and the relaxed-yet-attentive service of a private club.

A stay at Chateau Capitale, near Narbonne, demands no compromise : you can choose a stylish room in the 19th century Château or the space and independence of a luxury villa with magnificent views across the vines and lagoon.

The original Château has been transformed into an intimate four star boutique hotel with eight stylish rooms and suites, a prestige spa, a fine dining restaurant and a lively but laid-back bar and brasero restaurant

Full of character and contemporary luxury and inspired by local architecture, the 44 luxury self-catering villas in the hameau offer space and independence. Sleeping from 2 to 10 people and ranging in size from 90 to 220m<sup>2</sup>, ideal for family holidays or gatherings with friends. Combining natural and reclaimed materials with a clever use of space and light, refined interiors take cues from both the aristocratic and agricultural heritage of the estate marrying the traditional and the modern : generous salons, high-spec kitchens, luxurious bedrooms with en suite bathrooms and superb fixtures and fittings throughout.

For families with older children, particularly teenagers, it is fantastic as nearby there are a multitude of water sports experiences available. There is now a dedicated spot for the Kids Club, a huge tent that has been set up as a refuge in the middle of nature. In addition to a workshop area, there's also a table soccer table.

Les Caves are four villas situated in the centre and one at the top of the hamlet, equipped with 2 en-suite bedrooms, one with bath and one with shower, one of which is on the first floor. The ground floor has a fully equipped kitchen, living room, dining room and the second bedroom. Outside, a terrace and an enclosed Mediterranean dry garden south west facing with a dining area, sun loungers and a breath-taking view of the lagoon.

NB: Not recommended for small children since the topography makes pushing a stroller difficult. Very
