The house is located in a quiet cul-de-sac, only a 5 minute walk to the town centre and the port of Marseillan and a 10-minute drive to the nearest sandy beach. Marseillan has been described as 'The Next St Tropez' with its pretty village centre and fishing port. It is very popular and most of the bars and restaurants remain open all year round. (Restaurants are very busy during the season - please book before you arrive to avoid disappointment. Local seafood is a speciality).

The ground floor features a stunning, bright open-plan layout with a large well-equipped kitchen, dining area and TV area. The villa has been completely re-modelled internally by an architect to take advantage of open-plan living and to optimise the space between the inside and the outside terrace and pool, making it the perfect place to enjoy hot days and warm evenings.

The fully fitted kitchen has a Capri limestone work surface with a breakfast bar, American fridge/freezer, oven, hob, dishwasher, and microwave. The dining area has a table seating up to 12 people, giving on to a seating area with 'L' shaped settee and coffee table. The living room has a 48" wall-mounted smart 3D TV with a large settee and coffee table, and a fire place. On request, one of the settees could be converted into a sofa bed sleeping 2 extra people. The large open-plan dining area gives out onto the patio via large folding doors creating a wonderful indoor/outdoor living experience. There is also a utility room with a sink, washing machine, tumble dryer, and dishwasher.

The ground floor also has a sleeping wing with an ensuite double bedroom and a twin bedroom with separate bathroom. The lovely decorated double bedroom has large sliding doors onto a small terrace with seating. The room has fitted wardrobes, a small desk, drawer unit and TV, and an ensuite bathroom with toilet, sink, and walk-in shower. The cosy twin bedroom also opens up onto a terrace with a lounge set and has fitted wardrobes, a small desk and drawer unit. Across the hallway is a private bathroom with a walk-in shower, toilet and sink. This separate sleeping wing is ideal for a multi-generational or multi-family holiday offering privacy and comfort for everyone.
