Description

In your own artistic villa with contemporary interiors, a stunning pool and unobstructed views of the forest of Valmasque in a region of the French Riviera that so inspired Picasso, Matisse and Miró, you will stay just 18 km from the lively city of Cannes.

Owned by art-loving owners with a keen eye for interior design and modern style, Villa d'Arte has recently been completely renovated. They also own an exclusive gallery specializing in graphic art and photography. As a result, you will encounter striking prints adorning the walls of this modern home throughout the villa. Art objects and designer furniture can also be found in the bright rooms, while sliding doors perfectly frame the natural views from the open-plan living-dining room and kitchen.

Four great bedrooms, each with private bathroom with rain shower, are spread over the two floors. The master bedroom on the first floor has a beautiful bath and double French doors to the pool terrace. Two of the upstairs bedrooms have balconies with expansive views. High-speed Wi-Fi, air conditioning and a separate TV lounge are some of the modern conveniences in this unique villa.

Large pine and palm trees provide the Mediterranean ambience outside and, together with the white stone walls of the villa, create an atmospheric place for dining. The view of the beautiful pool and the hills beyond is a nice bonus. In the evenings with a glass of good rosé, enjoy the atmospheric lighting that provides just the right ambience.
