Description

Villa Christelle invites you to relax and 'détendre' in this exceptionally well-presented property. Superior in quality and ambience to the standard holiday villa, Christelle offers the opportunity to relax in the jacuzzi spa, swim in the pool or have a therapeutic massage in the privacy of what - for a week at least! - is your own home.

The main house offers 3 en suite bedrooms including a parental suite, a double room and a third bedroom which can be a double or two twin beds. The studio is 24m² and offers a double bed, bathroom and kitchenette.

Terrace with shade.

Situated just 1km from the village of Garéoult in a quiet residential area you will be spoilt for choice as to which Domaine to 'déguster' some wine and buy a few bottles to quaff at Villa Christelle or bring home with you. There is also an excellent market in Garéoult on Tuesdays where you can choose from a large range of olives, cheeses, charcuterie etc.

There are lots of walking routes in the area suitable for a gentle stroll or a more serious hike.

Also worth considering is a boat trip to the Isle of Porquerolles in the Mediterranean, a national reserve for biodiversity.

Le Gorge de Verdon also makes for a fantastic day out - France's own Grand Canyon!
