**Region:** PORTUGAL

**Sleeps:** 10 **Bedrooms:** 5

## Overview

Stunning views of the ocean from this beautiful family villa located on the cliffs overlooking Praia da Oura beach. This villa has 5 bedrooms and can sleep up to 10 people. This villa is ideal for families and friends to enjoy beautiful sunrises and sunsets over the ocean.

## Description

Villa Edmundo boasts an unrivalled position on the cliffs above Praia da Oura beach. The buzzing town of Santa Eulalia is just a short walk away.

A flower and plant covered driveway leads guests to the beautiful Villa Edmundo. The villa shares its electric gates with another property, but is otherwise private.

The beach can be accessed from the villa's garden via stairs. Please note that access to this beach can be difficult for those with poor mobility (nearby St Eulalia beach which is a short drive has better access).

The view from Edmundo is truly breath-taking. Various rooms have sea views including the living room, the large terrace and garden. When opening the patio doors, guests can enjoy the gentle sea breeze and the sound of the waves down below.

The living room is stylish and comfortable and provides access to the spacious terrace. From the lounge, an arch leads to the kitchen which has a breakfast room. All bedrooms have windows that open onto the garden and pool area.

It is hard to believe that this villa is just a short walk from Santa Eulalia with its variety of restaurants and bars. Some of these are visible from parts of the garden, whilst other parts offer complete privacy. The popular Areias de São João is also nearby, making this a good choice for groups with teenagers. On the other hand, why not choose this villa simply for its scenic position.

## Grounds:

Outdoors are terraces from which to enjoy the spectacular views. On the living room (upper) level is a wide terrace and separate dining table with built-in charcoal barbecue. The pool is small at about 5m x 3m approx and kidney-shaped with a ladder for access and a jacuzzi. The garden has lawn, flowers and shrubs, and a steep path leads down to the beach. Due to the layout of the garden, small children should be supervised at all times in the outdoor areas. Whilst the garden is not large, the superb location and views make up for that. The hot water system is solar. There is an alarm and electric gate.

There is an additional annex available at a further cost to sleep 4 people (see booking terms).
