Sleeps: 16 **Bedrooms:** 8 **Bathrooms:** 8

Description

Albufeira: This is modern luxury living at its finest - pool, jacuzzi, gym, stunning sea views and direct beach access - truly hard to beat.

Villa Marquesa is ideally located near the charming laid-back resort of Olhos d'Água once a fishing village, now a town centred around a sandy cove offering a wide choice of restaurants, bars and activities. The villa is also within easy reach of lively Albufeira, making it perfect for those seeking a peaceful and relaxing escape close to a major resort, without actually being in it.

The property is accessed via a secure gated driveway with plenty of parking. Enter the property through large Italian vaulted doors which open to an expansive open plan living/dining area with impressive sea views and a baby grand piano. From this area there are French doors to a covered terrace with gas barbecue and alfresco dining space with panoramic views guests can enjoy relaxed evening meals with the twinkling lights of local fishing boats as the backdrop. The infinity pool made with Italian Bisazza tiling is a true highlight. Villa Marquesa is fully air conditioned.
