Description

Hannah's Lovely Villa is a peaceful retreat nestled between the medieval towns of Vence and St. Paul de Vence, in the heart of the French Riviera. Backed by the stunning mountains of the Alpes-Maritimes and not too far from the sparkling coastline, the villa offers the best of both worlds - tranquil seclusion and easy access to the vibrant life of the Côte d'Azur.

Designed by a local architect to capture the sunlight, this spacious and elegant holiday home is set in lush private gardens, just a 15-minute walk from Vence's charming town centre.

The villa accommodates up to eight guests in 350 sq meters of comfort and style, making it an ideal choice for families, couples, or a group of friends. The layout includes four double bedrooms, all featuring Super-King sized beds and fitted wardrobes. Each bedroom has a dedicated bathroom, and some have a private terrace with views of the garden and pool area. The two upstairs bedrooms have air conditioning, the two bedrooms on the lower floor are naturally cooler.

The villa's light-filled, open-plan kitchen and sitting area is equipped with everything you might need, opening out onto a sunny breakfast terrace with seating for eight.

Step outside into the villa's beautifully maintained grounds, where you can dine al fresco under the shade of a majestic hundred-year-old ash tree, swim in the private 9m x 4m pool, or simply unwind on one of the many sun-drenched terraces. Whether you're enjoying a fresh croissant from the local bakery or sipping a glass of chilled Provence rosé as the sun sets, you'll find the peaceful atmosphere broken only by birdsong or the evening chorus of frogs. The secure, gated garden offers parking for up to six cars and is laid to lawn with mature trees and Mediterranean shrubs.

The surrounding area is perfect for exploring on foot or by bike. Enjoy a scenic woodland walk to the renowned art galleries of St. Paul de Vence or visit Tournettes-sur-Loup, known for its violet fields and panoramic valley views. A short drive brings you to Cagnes-sur-Mer for a beach day, or to Grasse for a fragrant tour of its famous perfumeries. Whether you're looking for a cultural escape, coastal adventure, or a restful retreat, Hannah's Lovely Villa promises an unforgettable holiday in the south of France.

Location

Nice airport is just 25 minutes drive away, 45 minutes drive to Italy. (Not to be missed on Friday – market day in Ventimiglia).

A car is advisable.

3 minutes by car to Vence or a pleasant 15-minute walk.

A 40-minute walk through lovely French woodland to St Paul de Vence.

Vence has both supermarkets and small, local artisan shops.

Vence is France's town of art near the French Riviera. This might sound like a big claim in a country so soaked in art history, especially 20th-century art, but the lovely historic town of Vence in the South of France between Nice and Antibes has been a magnet for artists who left their legacy in both spirit and art.

The town has a small chapel, up above the Cité Historique Chapelle du Rosaire (1948, completed in 1951), decorated with stained glass and other fittings by Henri Matisse. Vence is also famous for its spring water, which can be collected from numerous fountains in the town. It is a heaven for cyclists, spectacular outlook over the Cote D'Azur, with many charming villages to visit for lunch or dinner.

Vence has many superb restaurants and lovely small shops, bakeries, cafes, absolutely charming! (also several large supermarkets, just outside).
