Description

Saint Jean Cap Ferrat: Striking contemporary architecture defines Villa C View with its ultra contemporary, modernist living space. Fully staffed with villa manager, housekeepers, chef and butler. Fabulous views towards Italy and Monaco.

Located on one of the most scenic and glamourous parts of the French Riviera, Villa C View is an exquisitely stylish and modern property, with the latest technology, set amongst a secluded oasis of tranquillity and privacy.

There are seven individually designed guest bedrooms, complete with bathroom and private terrace. In total there is some 680m² of living area within a property size of 4755m².

Overview

Striking contemporary architecture defines Villa C View with its sleek, modernist living space. Fully staffed with villa manager, housekeeper, chef and butler. Enjoy Saint Jean Cap Ferrat in ultimate luxury. Indoor and outdoor pools. Outdoor pool features moveable floor to control depth. Two lifts, two pools and private funicular. Minimum stay of 2 weeks in July and August.

There is a spa with sauna, hammam, shower, indoor exercise pool with counter-current facility heated to 28°, massage room and numerous outdoor areas perfect for both relaxation and entertaining.

To further enhance the guest experience there is a gym equipped with the latest Kinesis and Technogym equipment plus a wine cellar with some of the finest wines. There is reverse cycle air conditioning/heating throughout, an exterior lift giving access to the villa entrance, swimming pool terrace and parking area, plus a fully integrated security system.

The outdoor swimming pool features rising/lowering floor which can be adjusted according to the needs of guests with young children. Alternatively it can be fully raised to create a large 250m² terrace for entertaining. In an area where flat land is at a premium this terrace is highly prized. Small weddings and events for up to 80 guests are accepted. To keep you cool on hot Mediterranean days the terrace is ringed with water vapour sprays.

Other features include a lift giving access to 5 of the bedrooms, the twin and fourth double bedrooms having internal stairs access. There is even a private funicular lift to carry guests up to the top level. Integrated audio /visual systems in each bedroom, fully equipped Boffi design kitchen, equipped office, an expansive salon with 180° views and a separate second
