

Villa Soller

Region: Mallorca

Sleeps: 8 **Bedrooms:** 4 **Bathrooms:** 5

Description

North West: Fabulous views across the Port de Soller, unforgettable sunsets over the sea, shops, restaurants and a sandy beach within walking distance.

This newly renovated property maintains its traditional Spanish charm while offering modern convenience and luxury. Apart from the bright, colourful tiling in the bathrooms, the fresh and elegant decor in the five bedrooms continues throughout the entire villa, with all rooms featuring a clean, modern, minimalist interior. The four double en-suite bedrooms are flooded with light and beautiful views. The fifth bedroom on the first floor sleeps two children on bunk beds.

Designed to maximise the impact of the sea, this villa boasts a magnificent entertaining terrace complete with dining table, chairs, chill-out seating, parasols and a long stretch of balustrade from where everyone can pick their perfect spot for watching the comings and goings of boats and people. On a further terrace you have your private pool. This is your space for taking it easy and soaking up the Mallorcan sun.

Overview

Its privileged seafront position overlooking the harbour of Port de Soller makes this elegant contemporary villa for 10 people ideal for enjoying the best Mallorca has to offer: striking sunsets, the calming view of the Mediterranean sea, shops, restaurants and a sandy beach on your doorstep.
