

Villa Uliveto del Garda

Region: ITALY

Sleeps: 6 **Bedrooms:** 3 **Bathrooms:** 3

Overview

Set among olive groves and manicured terraced gardens, this elegant lakefront villa with heated pool and private spa affords unrivalled views across Lake Garda, over the mountains and the lake's east bank- in the Veneto region: a privileged setting in which to enjoy your exclusive family holiday.

Description

Lake Garda: This exquisite lakefront villa near Toscolano with heated salt-water pool, Jacuzzi hot tub and private spa is ideal for a family holiday, close to the lake shore and the village amenities.

The conservatory is the real hub of this luxury property, offering a unique viewpoint of the lake. The garden is simply wonderful and you can spend hours in total relaxation in the pool or the Jacuzzi, surrounded by olive trees, scented shrubs and flower beds. Relaxation continues indoors in your own private spa which includes a Finnish sauna, another Jacuzzi and a rest area. The central situation of this villa means you can quickly reach the lake, the town centre and many other pretty villages along the lake banks. Within a range of just 15 km you have Gardone Riviera, renowned for its 'Vittoriale' museum (once the quirky residence of the poet Gabriele D'Annunzio) and the elegant town of Salò with its restaurants, boutiques and lake promenade. The ancient Roman spa town of Sirmione, home to the poet Catullus, is also within easy reach of your villa for day trips, with Verona and Venice a little further afield but certainly worth the journey.
