## Overview

Surrounded by extensive countryside dotted with olive, carob trees and dry stone walls so typical of the Sicilian landscape, this sleek modern villa with infinity, salt-water pool offers privacy and seclusion only a short distance from the coast, the beaches and many splendid historic towns along Sicily's south-east coast.

## Description

Peace and seclusion, yet within easy reach of the beaches and some remarkable towns, are some of the reasons for choosing this attractive modern villa with infinity, salt-water pool.

This beautifully kept property sits on a large plot of land halfway between the towns of Modica, Ispica and Rosolini and enjoys far reaching views over the sea and the surrounding countryside. The relaxing panoramic views can be enjoyed from the large terraces and the exclusive salt-water swimming pool (without chlorine). The villa offers tastefully furnished and decorated rooms that include a living room with kitchen, two double bedrooms and two shower rooms, therefore ideal for 2 couples or a family. Outside there is also a further bathroom with shower. The property boasts a strategic position: the baroque towns of the Noto Valley, such as Modica, Ragusa-Ibla, Scicli and Noto, but also the lovely beaches of Pozzallo, of the Vendicari nature reserve and Portopalo di Capo Passero are all a short drive away.
